School Rules Award:

Andes - for helping to take messages to Chestnut class

## Other News

As part of our Art learning this half term, we will be learning to tie-dye! We ask that every child brings in a plain white or light coloured t-shirt that they can tie dye. This can be an old t-shirt that no longer fits them. If your child has not brought in a t-shirt to dye by Monday, then they may be unable to participate in this aspect of our art learning.

### PSD

This week we have thought about teamwork and also about washing our hands effectively and why they need to be washed.

### Numeracy

This week we have been focussing on addition, subtraction and place value skills.

### Topic

This week we have been learning about tectonic plates, earthquakes and volcanoes! We loved creating our own model eruption! We also enjoyed watching a building fall down in a model earthquake.

### Literacy

This week, our sounds group have been focussing on the sound /c/ and our word time group have been focussing on the sound /z/. Our ditty group have been reading about a trip to the beach, and our Purple book group have been writing about bathtime.
