Maddison - for great listening to the adults

Farley - for fantastic predicting in Science

School Rules Award:

Ari - for brilliant ignoring

Other News

We hope that you all have a fantastic Christmas holiday and we will see you all in the new year! The first day of term is Tuesday 7th January.

Our last swimming lesson will be on Monday 13th January - the second week back in the new year.

English

This week we have been doing lots of writing about the Chrstitmassy things that we have done. We have read the poem 'The Night Before Christmas' together and have retold the story.

Maths

This week, we have each been learning about length and height. Some of us have been identifying and sorting 'long' and 'short', and some of us have been learning to measure with a ruler and comparing lengths.

Topic

This week we have been learning about Alexander Graham Bell in History, and have been learning about pitch in Science. We investigated how we could change the pitch of an instrument.
