★ Highlights of the Week: ★

Beech Class have been thinking about Bonfire night and have done and enjoyed lots of activities around fireworks. We even had a lovely time experiencing sparklers with Maple Class, outside in Forest School!

This week we have been thinking about -

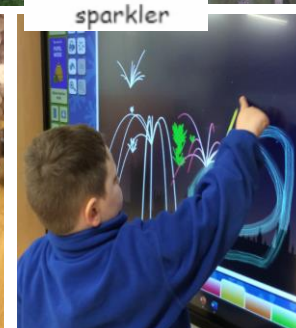

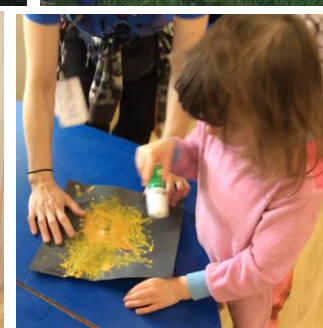

- ❖ Reading familiar stories and predicting what comes next.
- ❖ How different shapes interact with each other.
- ❖ Using schedules in class and matching symbols to what we are doing.
- ❖ Understanding what happens after we press a button or make a noise.
