★ Highlights of the Week: ★

Towns has been our Where focus this week and we have had lots of fun building our own, whilst also looking at photos and videos from towns near us! There have also been some great Bucket Time sessions this week, with the children enjoying seeing a house made that then lit up with a torch as well as painting a town skyline, as well as investigating in Learning Time road maps and different buildings.

This week we have been thinking about -

- ❖ Sorting with different criteria.
- ❖ Matching the number and numeral.
- ❖ Our Cued Articulation signs and sounds.
- ❖ What sounds are in the environment around us and can we identify them?
