

# Birch

## Highlights for the week

Friday 4<sup>th</sup> April  
2025

### Messages from Mrs Dixon:

When we return, if you send in Squash for your child please can we have new bottles when we return.

Sun cream letters have been sent home please can we have replies back and sun cream and hats sent in for your child. Thank you.

We have sent home all PE and Forest School kits – please can they be returned as soon as we are back.

It's inset on Tuesday 22nd April – see you on Wednesday 23<sup>rd</sup> of April !!

*We all hope you all have a lovely Easter holiday ☺*

*Mrs Dixon, Miss Tripp, Miss Butler and Miss Stewart*

### Headteacher awards

**Eddie:** for being brave when unexpected things happen.

**Oscar:** For independently writing 1-3 numerals and then accepting hand over hand support to continue the order.

**School rules: Kind award: Jaxon:** for being kind and independently tidying away after table time before being asked.

### Learning:

- In computing we finished working on computational thinking looking at low water technology and moving water from one place to another and using Marble run and using beebots to work on our programming.
- In PSD we have thought about families and how they can all be different from our friends. Birch class loved exploring our family sets of dolls and using doll houses and furniture to role play.
- In music we were concentrating on stop, go, slow, fast, loud and quiet, and doing this with a chosen instrument, either in a group or as a solo.
- In Topic this week we finished with History, reflecting back on our work in science and how we look after pets. Looking at pictures of ourselves holding animals or even playing with toy animals and imbedding knowledge we have learnt.
- We also looked through our all about me books and had conversations either verbally or through communication boards about what has happened in the past and if they recognise themselves and their friends.
