

Birch

Highlights for the week

Friday 6th June
2025

Learning notes:

- In English we have a new focus story called Marvellous me – all about a little boy who wants to be a superhero and finds all things marvellous about himself.
- In Maths we have started this term with Place value – a familiar topic to begin a term, exchanging coins in 5 currant buns and exploring numerals up to 20.
- In music we have started exploring Ocarinas
- In PE we have started our Athletics topic – all in preparation for Sports day – focussing this week on throwing and catching balls and beanbags.
- In Topic we have been looking at our past, by using photos and identifying who we are. Next we move onto think what we are doing in these pictures and where.

Headteacher awards:

Eddie: good engagement during disco dough funky fingers

Oscar: for organising and matching numicon and numerals up to 20

Helpful award: Jaxon – for tidying away resources after each lesson through the week

Messages from Mrs Dixon:

Welcome back to Summer term 2, we hope you had a lovely half term ☺

This week you would have been sent home your child's new IEP's, any questions please do let me know either via email @ birch@mapleridge.hants.sc.h.uk or the home school books.

Also within that envelope are homework suggestions for this half term, to link with this terms topic – Marvellous me.

Reminder: the Library is unavailable for children so we are trying to change them on a Wednesday as much as we can, we apologise if this is not done, if you see that books have not been changed in a while please let me know but also book bags and reading records need to be in school for us to change them.

We all hope you all have a lovely weekend ☺

Mrs Dixon, Miss Tripp, Miss Butler and Miss Stewart
