World Book week: this year is all about reading for pleasure.

- Our focus stories this week were all about the Fairy tales and Birch class loved the three little pigs sensory story we did it twice !!! Everyone loved getting involved, exploring and accessing stories in a different way
- In Maths we have moved back to place value, imbedded numeral knowledge.
- We have started to make our soft toy in DT this week and hopefully finish and evaluate our work next week and move onto RE.
- In Music we continued to explore a variety of instruments to make sound and following stop and go symbols.
- In PE, now the weather is brighter we have taken our Outdoor Adventurous Activities outside, where we looked at symbols and spaces and how we can travel using our bodies i.e. hopping.
- For our PSD we have continued to look at growing and in particular our bodies and the features we have and the differences between us and our friends.
