Highlights for the week

Messages from Mrs Dixon:

- Please, remember to write in the **reading record**, all the interactions you do with your child when reading at home and to send this in **every day** with their reading books.

Next week I will be keeping reading records for a day/night so I can photocopy them for their Autumn progress English folders.

We hope you all enjoyed Birch class Christmas experience assembly I know we all did :) it was lovely to see so many of you !!

This week we incorporated Christmas into Maths and English using Christmas counting songs and The night before Christmas as the linked story.

- *Children enjoyed decorating their placemats for their Christmas lunch on Thursday.*
- *We enjoyed decorating Christmas stockings to go alongside the night before Christmas story. Everyone who decorated one to their own ability and was sent home with them this week. We hope you like their work.*
- *In RE lessons we looked at journeys and we listened to, explored and sequenced The Christmas story.*

Class Awards:

Seth: for helping tidy the classroom with minimal support after maths and generally being very helpful round the classroom all week

Adam: for independently identifying colours and verbally saying them to a Christmas song video on the board.

GOLD AWARD!! – Seth for 100 smiley faces so far, congratulations Seth and well done :)

Birch class visited Santa today in his grotto and everyone has a few presents from him in their school bags either opened or still wrapped, we hope they enjoy them !!
