

Birch

Highlights for the week

Friday 14th February
2025

Maths and English: This term we have enjoyed the story *Just like Jasper*, learning what toy he wanted to buy for his birthday, exploring toys from the book. In Maths we have continued place value, looked at measurements and this week finished statistics and grouping items in either their own category or a given one.

P.E: This term we have enjoyed gymnastics, we have enjoyed balancing and jumping on and off apparatus, making our bodies move in different ways and make different shapes.

Topic: We have had fun with clay making a tealight holder and a clay tile. We also looked at cubism and made our own portraits using different shapes. In science we explored light and dark and in RE we looked at special things to us and to Christians.

Music: The Djembe drums have been played!! using our stop and go symbols to make music and have fun in the process.

Computing: We have been exploring keeping safe online, using interactive games and songs, also following instructions from adults on how to open and close programmes using either a Laptop mouse or touchscreen.

A few messages from Mrs Dixon:

On the Monday we return from half term please send in full kits with everything they will need for Swimming. We do not have spares in school unfortunately. We have three more weeks left!!

We all hope you have a lovely half term ☺ see you on the 24th February.

Mrs Dixon, Miss Tripp and Miss Butler

Headteacher awards

Amaan: For independently putting on his coat, socks and shoes.

Eddie: for accepting and exploring his new reflective activity after dysregulation

Helpful award: Rafay: for helping get his friends coats out at the end of the day
