This week we have been reading and listening to stories. We have also started mark making using various mediums, such as paint, shaving foam, flour and good old felt tips and chalk.

Maths: We are continuing our work in place value, looking at our numbers using nursery rhymes and interactive stage 3 bucket activities including knocking over ten green bottles or splatting our shaving foam when one little duck swims away.

This week we have been playing hide under the blanket, guessing which one of our friends is hiding and also playing pass the beanbag. These games are designed to help with recognising who are friends are and integrating as a class in circle time.

We have started to learn about Autumn, all the different colours and changes to our world in this season.
