

# Birch

## Highlights for the week

Friday 23<sup>rd</sup> May  
2025

### Messages from Mrs Dixon:

Apologies if reading books have not been changed, our library has been closed to children for the foreseeable so adults need to get books to change, due to team 2 trips this week, we have been unable to facilitate this, we will change them after half term. Thank you for your understanding.

*We all hope you all have a lovely half term ☺, school is closed to children on the 2<sup>nd</sup> of June so we will see everyone on **Tuesday the 3<sup>rd</sup>.***

*Mrs Dixon, Miss Tripp, Miss Butler and Miss Stewart*

### Beach trip to Calshot!!!

What an amazing trip to the beach Birch class had. Everyone had so much fun!! The beach trip links to our Topic of The seaside and in Geography looking at man made and natural items. Birch class enjoyed paddling in the water up to their welly boots, but the tide had other ideas and water did go in some boots. We had some children who just wanted to stand at the waters edge and throw pebbles in, that was OK! We also had children who just wanted to build sandcastles and explore the pebbles on the beach. There were even some crabs that had found their way up on the beach. We arrived just before 11am and started the day with a light snack on the beach and then we were off to explore the beach before lunch at 12:30/45. Then back off to school at 1:20, we arrived back at 2:30pm. Everyone had so much fun!!!
