

We all hope you have a lovely half term and if you celebrate a safe and happy Halloween and we look forward to seeing you on Monday 4th November. Mrs Dixon, Miss Trip, Miss McGreggor and Miss Butler

Birch

Friday 25th October
2024

Highlights for the week

Maths and English: We finished Goldilocks and the three bears this week rounding off with a what happened next interactive activity.

In Maths this week we started looking at time but in particular sequencing and days of the week looking at the hungry caterpillar. In free low we have multilink and Lego looking at patterns and building with a range of resources.

Class Awards: Head teachers awards

Oscar: for getting involved in RE topic this week. Coming to the circle for class time and interacting with the resources appropriately.

Jaxon: for copying all the movements to the correct beat of the song, if you're happy and you know it.

For being kind at school: Adam: for playing alongside his friends during choose time this week.

Messages from Mrs Dixon:

After half term we are starting our DT and Science Topics and we need your help if able. In DT each child will be making a pull along toy, they will need a small plastic bottle around the size of 500ml.

In science we will be making musical instruments, in theory junk modelling, we need clean cardboard boxes, tubes, any cardboard/plastic related recycling to help the children make their instruments. Thank you.

Topic: This week we have been looking at RE: Change. Birch class have looked at how water can change to ice, how dry sand turns wet and even Jelly from raw to wibbly wobbly jelly on our plate. They also looked at changes within themselves how we change/grow from a baby to elderly.
