

Birch

Highlights for the week

Friday 27th
September 2024

English

We have continue to explore Goldilocks and the three bears, looking the story from the book, props, interactive and re-telling.

Messages: Letters for Parent's Evening went home this week, please reply when you can or let us know if you need a new form.

Class Awards: Head teachers awards

Adam: good counting to 3 with verbal prompts and pointing to the blocks and naming the colours.

Eddie: for sitting and engaging in circle time for every lesson this week.

For being kind at school: Jaxon, for being kind to friends during circle time using kind hands for positive interactions.

Maths: We are continuing are work in place value. Next week we move on to look at addition and subtraction, so lots more nurse rhymes and sensory play exploring our numbers.

Topic/PSD

This week we have looked at Winter and Spring. We have been playing 'its snowing on you...' using shredded paper as snow with glitter and an umbrella. The classroom was messy but we loved playing in the fake snow.

Next week we move our topic on to look at Geography, we will be focusing on placement of objects and furniture within our classroom and school to begin, using messy maps.
