November 2024

Highlights for the week

Maths and English:

We have been continuing our work with the story of the three little pigs and next week we will be making our own straw houses. In Maths this is week we have started to look at fractions in particular halves and quarters in 3D and 2D.

"Brrr, this week has got chilly!

Please make sure children bring to school their hat, scarf and gloves, especially on days we visit Forest school. We will continue to go out whatever the weather. Thank you. Mrs Farthing"

Messages from Mrs Dixon:

Please can you make sure that you are sending in reading books, reading records and home school books in every day, thank you.

A letter went home this week also, about a trip to Purple Oaks sensory room on the 18th December, if you would like your child to attend please send back the consent form as soon as possible to book a place.

If you need to contact us you can do this through the red home-school book or the class email –

birch@mapleridge.hants.sch.uk

Have a lovely weekend ☺

A letter went out to you all last week about Christmas week: I thought I would give a few reminders for those who may not have received the letter.

The following date has been set for class to host a Christmas Celebration:

Thursday 12 December 2024 Birch Class (09:45 start)

We also have the following Christmas events taking place:

- Friday, 6 December 2024 - Year 6 pupils will go to the Winchester Cathedral event.
- Thursday, 12 December 2022 - Christmas Jumper Day, Christmas Dinner.
- Friday, 13 December 2024 – Santa's Grotto and Christmas Disco.

Please keep checking your child's home school book for letters to complete in order for us to ensure we know how many people will be attending the different events, thank you!!

Topic: *We have now all made our pull along toys and some children took home their own creations, we hope you like their hard work ☺ We now begin our science topic for this half term exploring light and sound. We will be junk modelling to make our own instruments, so any clean yoghurt pots, crisp tins you can send in with our already lovely collection of junk modelling equipment, will be greatly received ☺*
