

Maths

This week we have been learning that numbers are made up of smaller numbers by using part models.

Topic

This week in topic we have been looking at different things we use in different seasons as well as different climates in different countries.

Chestnut class

Head teacher awards

Congratulations to Erin for gaining the head teachers award
Congratulations to Erika for gaining the head teachers award
Congratulations to Harry for gaining the kindness award this week

English

This week Chestnut class have been reading the Zoo. The children have enjoyed using masks to act out scenes from the story

Reminders

We will be swimming again on Monday so if your child brought their swimming kit home please can it be returned. Please try to remember to return reading books daily.
Have a great weekend
