

This week in maths we have been looking at place value. Children have been estimating and checking actual count.

English we have been looking at sentences and what we need in a sentence.

Topic we have been learning about seasons and floods. The children have made a prediction on whether soil, sand or concrete could hold the most water and then checked to see if their prediction was correct

Harry and Erika received head teacher awards and Adam received the kindness award today. Well done.

Chestnut class

Reminders

On Monday we will be swimming please can children come into school with their swimming items.
We have PE on a Monday and Wednesday, please can PE kits be in school for these days.
Forest school will be on a Tuesday so please can children bring in wellies and suitable clothing
