Maple Class

Friday
6th December 2024

We've enjoyed exploring lots of Christmas resources, music and videos in preparation for our Christmas Celebration. Favourites have been putting baubles on trees in Forest School and sensory exploration of pretend snow.

Last week our focus in Learning Time was Diwali, we have been working on everyone making a Diya and now the clay has finally dried we will hopefully decorate and send them home to you next week.

We have completed our usual sounds and number time activities and were happy to get some batteries in some of our toys so they now light up and make noises again! We also liked a new posting activity to go with The Hungry Caterpillar story sack.

We look forward to seeing those of you that can make it on **Thursday 12th at 1.30 (1.45 start)** for our Christmas Celebration.

This is also Christmas jumper day so you are welcome to get Christmassy too!
