Maple Class

Thursday
13th March 2025

We have had lots of fun in Maple Class recently, as it has been so sunny we've spent most afternoons in our outdoor area.

We have experienced many activities related to farms and farm animals.

We have explored some new stacking and bowling toys in number time and moved onto a Jack and the Beanstalk story sack in sounds time.

We had a great trip to the farm on Friday, all the children walked around to see some animals and some also enjoyed time in soft play with others choosing to stay in the quiet Welly Shed room instead.

Staff change

From Monday 17th March we will have a change of staff in Maple Class. Miss Stewart will be moving to Birch Class and Miss Cavanagh will be joining us in Maple Class.
