Friday  
13<sup>th</sup> December 2024

Thank you to all of you that made it to our Christmas celebration, it was great to see so many of you.  
We hope you all enjoyed it!

We will be completing lots of Christmas crafts over the next week and your child will come home with a bag full on Friday, fingers crossed!

As well as exploring lots of Christmas resources to get ready for our celebration we have also still completed our sounds and number time and we were learning about Hannukah in Learning time.

Some children enjoyed a visit to Santa today to get their gift, others were not a fan! We will get pictures to you for the children that made it in to see him.

I hope some of you have got your dancing shoes on ready for the disco tonight, starting at 4.30.

Remember we are cash only.

I look forward to seeing you there!

Miss Danes
