Maple Class

Friday
16th May 2025

We enjoyed a big water play session outside this week. We had a tray with water toys, one with boats and one with containers to work on our capacity targets, filling and emptying. For most children this then meant a whole change of clothes and new socks!

This week our 'where' was the park. We listened to the story Shark in the Park, used play food as our pretend picnic and used pictures of play equipment to design our own park.

We also used symbols of outside and inside to work on recognising these areas while playing in them and some children pointed to request where they wanted to go.

We will start our swimming sessions on Monday 9th June, more information will be sent over the next couple weeks but we have attached a kit list so you have time to find everything the children will need to swim.
