

Newsletter Maple Class

Friday
21st March 2025

We have enjoyed lots of Food Explorer sessions this week.

We have used apples, sugar snaps, bananas, satsumas, sweetcorn and rice crispies.

Apples seemed to be the favourite.

Some children tried cutting the food while others touched and tasted it.

The children in Maple Class have been using great communication skills this week to request the Sensory Room and our outdoor area, this has meant a lot of time outside but also a lot of happy children!

Some of us were able to see the chicks that have arrived at school, they will be here for a couple more weeks so we will all get a chance to see them as they hatch.

We look forward to seeing some of you at our Art Gallery on Wednesday 26th March between 1.30 and 2.30
