

We tried food explorers this week with our food being bananas, apples and pears. Some children just looked and some had a feel and a little taste, I don't think we have found any new fruit fans yet though!

We have completed lots of different activities in sounds and number time and the favourites this week were definitely musical instruments, Old Macdonald story sack, posting coins into containers and matching Velcro fruit and veg halves.

We all enjoyed exploring an Autumn themed sensory tray when it was a bit too wet to go outside, it included leaves, orange paper, coloured leaf stickers and pretend acorns and apples.

Please remember we are a NUT FREE school, this includes anything with hazelnut or almond as an ingredient, please check before sending food into school.  
Thank you ☺
