Maple Class

Friday
28th March 2025

We were lucky to get the chicks into class this week before they leave.

Some children stroked the chicks and some just looked at them in the box or in an adults hand.

I'm sure the chicks were happy to go back after a few squashes too!

We've been enjoying different obstacle courses in our PE this half term, practicing climbing up and down, balancing along and going over and under equipment.

It was lovely to see so many of you at our art gallery.
We hope you enjoyed seeing all the children's art work and having a go at some activities with them.
Now you can make your own gallery at home with all their work!
