

Maple Ridge Maths Curriculum Overview

We prioritise maths skills which will enable children to be as independent as possible and develop life skills, such as time, money and basic calculations.

Team	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Continuous focus - Number and place value						
Team 1 (EYFS curriculum)	Calculation- Addition	Calculation- Subtraction	Doubling, Halving And Sharing	Addition	Subtraction	Doubling, Halving And Sharing
	Shape	Time	Measure – size, length and height	Shape	Money	Measure – weight and capacity
Team 2 (EYFS Year + 1 curriculum)	Time	Addition and subtraction within	Position and direction	Fractions	Multiplication and division	Capacity
	Place Value	Money	Weight	Statistics	Length and height	Shape
Team 3 (EYFS + Years 1 -2 curriculum)	Place Value	Length and height	Shape	Multiplication and division	Time	Fractions
	Money	Addition and subtraction	Statistics	Weight	Position and direction	Capacity

Number
Place value
Geometry
Measure

The exact content to be taught is in the maths planning.

As maths builds on previous skills/understanding the programme of study year identified will depend on the level and understanding of each child and should be determined by ongoing assessment and the appropriate programme of study followed regardless of the Team the child is in.
