Learning Notes:

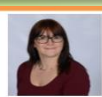

- In English this week we have enjoyed a RWI week working in our groups.
- For Maths we have introduced a new focus of Fractions, everyone has loved halving and quartering things!
- In Topic we looked at our Geography objectives of human and manmade, themed around the beach by making our own beach in class.
- In PE we have continued our Bikes, Trikes and Scooters skills by riding them in different routes.
- In Music we played Percussion instruments in different timbres with children conducting for each other.
- For our PSD we have been thinking about how we look after our bodies and focused on sleep.

Class Messages:

- The Library is currently closed to classes as part of our organisation and buildings works preparations so we are trying to exchange books when there is availability but if you see your child's book has not been changed in a little while please bear with us.
