

# Oak Class Newsletter

## Highlight of the Week:

Friday 17<sup>th</sup>  
January 2025

Oak class made our own dark tent!

For our Topic Science subject we are looking at light and we explored different light resources in our made dark tent.

### Headteacher's Awards:

Zak - For great sounding out and blending words in English.

Riley S - For brilliant science language use during Topic class time.

### School Rule Award: Helpful

Max - For lovely helping his friends tidy up at end of choose time.

### Learning Notes:

- In English this week we have worked in our RWI groups and focused on targets.
- For Maths we have continued work on Place Value, focusing on subitising and numerals within that.
- In Topic we carried on our 'Wonder' in the focus of Science.
- At Forest School this week we made a campfire altogether - it was very smoky this week!
- In PE we have moved up a level of height on our gymnastics equipment - the children are all very excited to get to the wall bars but we are still working towards this!
- In Music we have started our Samba focus.
- Our PSD focus this week was safety, questioning the children of 'is it safe?'.

### Class Messages:

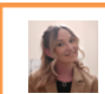

- Oak class have finished our allocated swimming sessions now - they were all brilliant! - so please just provide PE kits from now on.
