

Pine Class Newsletter

Friday 10th January 2025

If not already done so, please send in PE kit next week suitable for inside gymnastics shorts or cuffed/ fitted bottoms and a t-shirt.

Awards

Head teachers Awards

Elsie – super reading of her new book in English.

Spencer – great sorting by weight in maths.

School rules award: **helpful**

Troy – for helping his friends tidy at the end of Choose.

Welcome back and what a wonderful start to Spring Term Pine class have made!

- This week in English we have been focusing on reading skills and particularly sounds, sounding out and blending to read words. Those that it is appropriate for have also begun reading a new levelled reading book that they will continue next week focusing on writing skills.
- In maths we have begun our unit on weight and capacity with a strong focus on heavier and lighter. Thank you everyone who has sent in bottles ahead of next week's capacity sessions.
- In topic we have started our Wonder topic with science and observation skills based on light and shadow.
