In Pine class this week...

- We have started our new topic 'Exploring Sound' with fun exploration of lots of different ways of making noise – pouring, drumming, making shakers, and stumming bands in a homemade guitar. Please also see the optional homework linked to our topic this half term.
- In PE we have begun our dance unit of work exploring different ways of moving our bodies and loved using the sensory scarves to help with this.
- It has been linked book week in English and have been focusing on the Hueys and the new Jumper. A fun story all seemed to enjoy and lots of fantastic retelling.
- In maths we have been consolidating our understanding of number and the work we begun before half term based on place value, counting and ordering.
