

Dear Parent/Carer,

Play At Maple are currently planning our upcoming summer holiday sessions. Due to decreased amounts of funding available, we are unfortunately not able to offer one-to-one support for every child as previously provided. Where a child does not require one-to-one support, the staffing ratio will still be high, with one playworker to every three children.

We do have some funding allocated specifically for those with one-to-one support needs. To help allocate this support as fairly as possible we are asking you to provide your own thoughts on your child's needs whilst they attend a Play At Maple holiday scheme. This will help us to plan the one-to-one support and which days are available.

Please can you fill out the form below and return it to the school by Wednesday 8<sup>th</sup> June.

Thank you,

Play At Maple Team

The sessions will be allocated on a first-come-first-served basis and demand is expected to be high, so you may not get all the dates you apply for.

We are looking at the possibility of running a transport service to access the playscheme. If you have a need of a transport service please complete the table below.

You will receive an allocation letter with details of confirmed dates, transport confirmation, payment due and what your child will need to bring to the sessions nearer the start of the playscheme.

Thank you,
