

Science at Maple Ridge

The science curriculum fosters a working scientifically approach which allows children to explore the skills needed to acquire knowledge. Practical and experiential learning harnesses the desire to question and enables children to experience the wonders of the world in meaningful contexts. Science at Maple Ridge aims to engage, inspire and motivate.

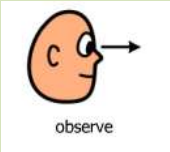

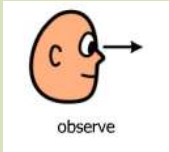

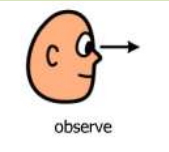

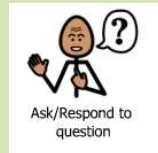

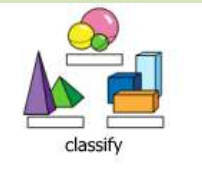

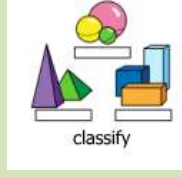

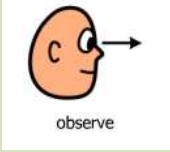

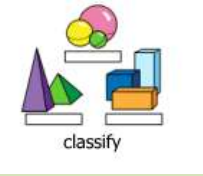

Curriculum Implementation

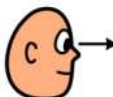

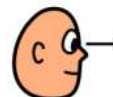

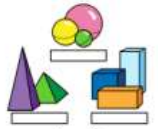

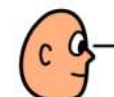

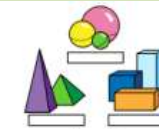

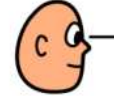

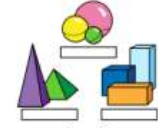

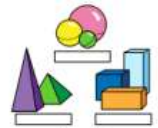

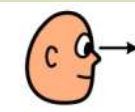

At Maple Ridge we deliver a high-quality Science education to engage, inspire and challenge our children. Over the course of our 2 year Topic cycle our children will experience and learn the different working scientifically skills; respond, observe, predict, classify, evaluate and ask questions.

Team 1, Team 2 and 3

Our children are taught:

1. To respond to questions using scientific vocabulary.
2. To observe changes in experiential learning.
3. To predict possible outcomes based on their knowledge and observations.
4. To classify in range a way relevant to their life and interests.
5. To record their findings and information in a way which is appropriate to them.
6. To ask questions to continuously engage, inspire and motivate learning.

Year 1		Team 1	Team 2	Team 3		Team 1	Team 2	Team 3
	Autumn 1	Me and My world Weather	Changes in My World Seasonal changes	My Changing World Seasonal changes	Autumn 2	Make a noise Sound	Exploring Sound Sound	Sources of Sound Sound
	WS skills focus	 observe	 observe	 observe	WS Skill focus	 Ask/Respond to question	 Ask/Respond to question	 predict
	Spring 1	Wow! Light	Wonder Light	Light and Wonder Light	Spring 2	On the Farm Animals	Which Pet Should I Get? <u>Animals</u> and humans	Dear Greenpeace <u>Living things</u> in their habitats
	WS Skill focus	 Ask/Respond to question	 Ask/Respond to question	 Ask/Respond to question	WS Skill focus	 classify	 classify	 classify
	Summer 1	Where Materials	Seaside Every day materials and <u>properties</u>	Space Earth and space	Summer 2	From Head to Toe Humans	Marvellous Me Animals and <u>humans</u>	My Changing Body Animals and <u>humans</u>
	WS Skill focus	 observe	 classify	 Ask/Respond to question	WS Skill focus	 record	 record	 record

Year 2		Team 1	Team 2	Team 3		Team 1	Team 2	Team 3
	Autumn 1	Superheroes Forces	Incredible Humans <u>Forces</u> and magnets	Big Mistakes! <u>Forces</u> and magnets	Autumn 2	My Celebrations	Let's Celebrate	World Celebration
	WS Skill focus	 Ask/Respond to question	 predict	 observe	WS Skill focus	 observe	 Ask/Respond to question	 Ask/Respond to question
	Spring 1	What do we play with? Magnets	Toys and Games – Magnetic Forces and <u>magnets</u>	Toys and Games – Electric Electricity	Spring 2	Mini Beasts Habitats	Ultimate Predators <u>Living things in their habitats</u>	Deadly 60 <u>Animals</u> and humans
	WS Skill focus	 predict	 Ask/Respond to question	 predict	WS Skill focus	 classify	 observe	 classify
	Summer 1	Let's Build Materials	My House <u>Everyday materials and properties</u>	Amazing Buildings <u>Everyday materials and properties</u>	Summer 2	Green Plants	Ten Seeds Plants	The Secret Garden Plants
	WS Skill focus	 observe	 classify	 classify	WS Skill focus	 observe	 record	 record
