

Year 1

	Team 1	Team 2	Team 3		Team 1	Team 2	Team 3
Year 1	Autumn 1	Me and My World Changes in myself and around me Key Concept: Science - Seasonal Changes Geography- Features of Environments Art- printmaking RE - Change	Changes in My World Changing Weather and Seasons Key Concept: Science - Seasonal Changes Geography- Features of Environments Art- printmaking RE - Change	My Changing World Extreme Weather and Natural Disasters Key Concept: Science - Seasonal Changes Geography- Place Comprehension DT- Construction (structures) RE - Peace	Autumn 2	Make a Noise! Explore the different noises instruments can make Exploring Sound Explore the different ways of making sound Key Concept: Science - Sound DT- construction (mechanism) RE - Celebration Geography- Maps & symbols	Sources of Sound Investigate how sound is made Key Concept: Science - Sound DT- construction (mechanism) RE - Celebration Geography- Location
	Spring 1	Wow! Exploring colour Wonder Exploring creativity through the wonder of everyday Key Concept: Art- 3D Science- Light History- The lives of individuals RE - Specialness	Wonder Exploring creativity through the wonder of everyday Key Concept: Art- 3D Science- Light History- The lives of individuals RE - Specialness	Light and Wonder An exploration of light Key Concept: Art- paint/printmaking Science - Light History- lives of significant individuals RE - Symbol of Light	Spring 2	On the Farm Animals and their homes on the farm Which Pet Should I Get? Exploring where different animals live Key Concept: Science - Animals and Humans Art- collage Geography - Place Comprehension RE - Creation (Christian)	Dear Greenpeace Living things in their habitats Key Concept: Science - Living Things in their Habitats Art- textiles Geography - Place Comprehension RE - Creation (compare Christian and Hindu)
	Summer 1	Where Going on a journey in our local area Seaside Explore and study the seaside Key Concept: Geography- Place Comprehension Science- every day materials and properties Art- Textiles RE- water as a symbol	Seaside Explore and study the seaside Key Concept: Geography- Place Comprehension Science- every day materials and properties Art- Textiles RE- water as a symbol	Space Go on a journey in to space Key Concept: Science- Space History- the lives of significant individuals Art- Collage RE-journeys	Summer 2	From Head to Toe Finding out about my body Marvellous Me Investigate what makes up the human body Key Concept: Science - Animals and Humans History- changes within living memory Art- drawing RE - Remembering	My Changing Body Examine what our bodies need and how they change Key Concept: Science - Animals and Humans History- changes within living memory Art- printmaking RE - Change
						All About Me Review the year and how I have changed SRE Key Concept: Remembering and Reflection	

Year 2		Team 1	Team 2	Team 3		Team 1	Team 2	Team 3
	Autumn 1	Superheroes Explore superheroes	Incredible Humans Find out about real life heroes Key Concept: History- the lives of significant others DT- Construction (hydraulics) RE - Thankfulness Science- Forces	Big Mistakes! Investigate a manmade disaster Key Concept: History- Significant historical events, people and places in their own locality Science- Forces Art- 3D RE- Good and Evil	Autumn 2	My Celebration Explore my celebrations	Let's Celebrate Explore different celebrations in my culture Key Concept: RE - Celebration Art- print making History-Events beyond living memory that are significant nationally or globally Science- working scientifically	World Celebration Explore celebrations from other cultures Key Concept: RE - Celebration Art- drawing Geography- Maps & symbols Science- working scientifically
	Spring 1	What do we play with? Find out about different toys	Toys and Games - Magnetic Investigate, design make and test magnetic toys Key Concept: Science -Magnets DT- Construction (structures) History- changes RE - happy and sad	Toys and Games - Electric Investigate, design make and test electric toys Key Concept: Science - Electricity DT- Textiles History- changes RE - forgiveness	Spring 2	Mini beasts Investigate mini beasts and their life cycles	Ultimate Predators Study predator animals and what they eat Key Concept: Science - Habitats Geography- Location Art- Painting RE- New life	Deadly 60 Investigate some of the deadliest animals on our planet Key Concept: Science - Animals Geography- Direction Art- Collage RE- Cycle of life
	Summer 1	Let's Build Building houses and exploring materials	My House Investigating my house and where I live and what its made of Key Concept: DT- Construction (structures) Science- everyday materials History- changes RE- Family	Amazing Buildings Investigate, design, build and test different types of buildings Key Concept: DT- Construction (structures) Science- every day materials and properties History- Events beyond living memory that are significant nationally or globally RE- special ness	Summer 2	Green Observe and Explore plants	Ten Seeds Identify and investigate plants and how they grow Key Concept: Science- Plants DT- Food technology Geography- Direction RE- Love	The Secret Garden Find out what plants need to grow. Key Concept: Science- Plants DT- Food technology Geography- Features of Environments RE- Ceremony
						All About Me. Review the year and how I have changed SRE Key Concept: Remembering and Reflection
