

Willow Class Newsletter

Friday 4th October

Messages

Well done to Rahmah for winning the Kimmy Kind award for Willow class this week. This was awarded for smiling and laughing with adults.

Thank you!

Willow class have enjoyed their week. The children have all improved their ball skills in PE. All the children are having a go at throwing and catching and some are kicking the ball. Willow class have explored mark making in different areas of the school, they have made marks on the chalkboard in the playground and on some small logs in forest school. Have a great weekend!
