

Willow Class Newsletter

Friday 7th March

Messages

Well done to Dennis for winning our Kind award this week. This was awarded for using kind hands with friends in class.

Thank you to all parents who have sent back the swimming forms, we are looking forward to getting started on the 17th. If you haven't yet sent back the form please do! We are going to the Farm next Friday- if you have any questions please contact me before Friday! Thank you!

Willow Class have been exploring and constructing with salt dough this week. They all enjoyed mixing the flour and salt together and then cutting it out into different shapes. The children continued to expand their geography skills by finding and sorting natural resources. In preparation for our farm trip next Friday we have been looking at different farm animals and their babies.

Have a great weekend!
