Well done to Tiffany for winning the Kimmy Kind award for Willow class this week. This was awarded for looking after the books in class and putting them back on the book shelf when finished reading.

Reminder to all parents that we are a nut free school. Please check all the food you are sending in does not contain nuts.

Thank you!

Willow class have had a great week! The children have explored different cause and effect toys and musical instruments. They have explore some more of forest school and practiced their climbing skills. The children have all enjoyed looking at rice snaps in food explorers.

Have a great weekend!
