

12/12/25

Maths

This week in maths we have been using rulers in different ways, we played with giant Jenga and then measured how high we made it!

Topic/PSD

This week in topic we have been creating our very own Christmas bunting. Using a variety of creative techniques the children made some beautiful designs.

English

This week in English we have been reading a story called the lonely Christmas tree. The children love this story and its happy ending about the tree re-joining all its friends.

CHESTNUT CLASS

Notes

Thank you all for coming to our Christmas performance, the children worked so hard and I'm so proud of them as I'm sure you are too! Next week the children have a relaxed week to help them in the build up to Christmas so we hope you have a relaxing time off.

As always pop a note in our home school books and we will get back to you as soon as possible, have a great weekend! Mr Price & class team
